Mr. Greg Marshall

100 – 2400 College Avenue
Regina, SK S4P 1C8

Dear Mr. ~~Marshall~~: *Greg,*

Thank you for your letter of November 5, 2009 regarding the Agricultural Producers Association of Saskatchewan's comments on the Canadian Grain Commission's (CGC) recent Notice of Intent and Shrinkage Consultation Documents. Your input and that of other producer organizations is important to the CGC.

The CGC will be taking all stakeholder contributions to this review into consideration during the decision making process this fall. Again, thank you for taking the time to express your opinions and recommendations about the licensing review and proposed changes to comprehensive and moisture shrinkage allowances.

Sincerely,

Elwin Hermanson
Chief Grain Commissioner
Canadian Grain Commission
